

- ▶ Alessandro Michelazzi Studio photography for fashion and luxury, portrait and lifestyle. The firm has been active since 2011.
- ▶ With a unique vision about colors and an eye keen on graphical composition, Alessandro's photography embraces the use of modern technologies as Cinemagraph, CGI rendering, interactive images, with the traditional process of analog chemical photography.
- ▶ In the last years, Alessandro Michelazzi Studio worked for international brands as IWC Schaffhausen, Montblanc, Google, OnePlus, Huawei, Oppo and Pitti Immagine.
